Stacey founded Ask and Receive, Inc. in 1999. She has expertise in web programming, design and web hosting. She provides search engine optimization and social media marketing in addition to many other services. She is known for her creative attention to detail in assisting her clients to achieve maximum results.

She holds many web and graphic, advanced SEO and social media related certifications in addition to being a Microsoft Master Instructor. Stacey is an active volunteer and was awarded the Rotary International District Service Above Self award.

Stacey has a master's level certification in Marketing Strategy from Cornell and a bachelor's degree from Lander University. She is a graduate of Leadership South Carolina, Leadership Spartanburg and the Women's Campaign School at Yale.
